Looks good to me. The EPA delegation document I have includes Jane, you, Ted, Amanda, John Mitchell, and Ken Davidson, although I never confirmed John Mitchell on my list. They had also invited someone from CDC, Patrick Bryesse, but I don't think they were ever confirmed either so it may not be worth including in the list.

Anyone want to eyeball these? I think they're fine (more than Jane needs) but let me know if you care to review.
